

The Ambassador

A diplomat has been sent to Vietnam to negotiate a tentative peace in the midst of political turmoil. The Viet Cong is raiding villages, the Vietnamese president is unbending, and the US has larger, selfish goals in mind. No one is without ulterior motives, and no one will walk away unscathed. The ambassador, Maxwell Amberley, is in the midst of his own personal crisis, trying to reconcile his questions, his frozen heart, and his jobs requirements with his own dignity.
