

Another Mans Moccasins: A Longmire Mystery

A murder victim might connect to Walts past in the fourth novel from the New York Times bestselling author of the Longmire series, the basis for LONGMIRE, now on Netflix. Craig Johnson's *The Highwayman* is now available from Viking. When the body of a young Vietnamese woman is discovered alongside the interstate in Wyoming's Absaroka County, Sheriff Walt Longmire finds only one suspect, Virgil White Buffalo, a Crow with a troubling past. In what begins as an open-and-shut case, Longmire gets a lot more than he bargained for when a photograph in the young woman's purse connects her to an investigation that Longmire tackled forty years ago as a young Marine investigator in Vietnam. In the fourth book in Craig Johnson's award-winning Walt Longmire series, the tough yet tender sheriff is up to his star in a pair of murders connected by blood, yet separated by forty haunted years.
