

Batman: No Mans Land

After years of trouble with super villains, plagues, and most recently, a devastating earthquake, Gotham City's request to be declared a federal disaster area is denied. Instead, the government gives Gothamites 24 hours to get out, after which it will blow up the bridges and tunnels, isolating Gotham from the world. Batman: No Man's Land presents this cut-off Gotham City, a place with no ground rules, where Batman and Commissioner Gordon must try to forge order out of chaos.

It is now months later and those that have refused to vacate No Man's Land live amidst a citywide turf war in which the strongest prey on the weak. As gangs
