

Bitterwood (Dragon Age series Book 1)

Dragons rule the world, united under the powerful dragon king Albekizan. Humans have been subdued for centuries, existing only as slaves, pets, and prey. Yet one man, the mysterious Bitterwood, strikes at dragons from the shadows, fighting a long, lonely war of resistance. When Bitterwood is blamed for the death of Albekizans beloved son, Bodiel, the king launches a full scale campaign to rid the world of the legendary dragon-slayer even if he must kill all of mankind to do so. Bitterwood, Kindle Edition, has been revised and updated from the original paperback release. For the sake of humanity, join in Bitterwoods revolt.
