A new horror is stalking New Orleans. He is the Queen of Hearts killer, removing the hearts of his young male victims. He is savage. He is unstoppable. And the New Orleans Police commissioner has requested - by name- the aid of Dr. Jessica Coran. But another horror is stalking Jessica. The man known as The Vampire Killer has escaped from prison, leaving a trail of blood-drained bodies in his wake. No one knows where he is- but they do know that hes coming for Jessica, the woman that put him behind bars. Now Jessica faces double jeopardy. And not even a new - and unlikely - partner from the FBI's experimental psychic program can protect her from two killers... (This book is fourth in Robert W. Walkers Instinct series.
