

After Tuesday

Family really is a pain especially when your father is an addict. For the last two years, high school senior Ruby has been her own rock and solace. She has learned to depend only on herself and hides her family's issues by keeping herself somewhat unnoticeable. Despite her isolation, Ruby has intrigued the affections of someone unexpected. She finds herself loving life once again as his persistence sparks a romance awakening a well-protected heart. While Ruby's relationship with her father is constantly teetering, her new-found affection continues to blossom into something more than she ever thought possible. Soon, Ruby comes to realize that opening up your heart means being susceptible to love and disappointment.
