

The Innsmouth Cycle: The Taint of the Deep Ones (Call of Cthulhu Fiction)

The decadent, smugly rotting, secret-filled town of Innsmouth is a supreme creation of Howard Philips Lovecraft. It so finely mixes the carnal and the metaphysical that writers continue to take inspiration from it. This new collection contains thirteen tales and three poems tracing the evolution of Innsmouth, from early tales by Dunsany, Chambers, and Cobb, through Lovecraft's *The Shadow Over Innsmouth* to modern tales by Rainey, Glasby, and others. Edited by Robert Price.
