

Miami & South Beach 2015 (The Food Enthusiasts Complete Restaurant Guide)

Another in the series of food writer Sebastian Bonds spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. Exciting does not necessarily mean expensive. The areas top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of sensible alternatives for those looking for good food handsomely prepared by cooks and chefs who really care what they plate up in the kitchen. For those with a touch of Guy Fieri, Bond ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, Sebastian Bond will not disappoint. Bon Appetit!
