

Hopes Corner: A Family Secrets Novel

Haunted by nightmares since the unexpected death of her husband, Pamela Sue Crawford moves home to the small Texas town where she grew up, hoping to find peace. Too quickly Pam discovers she will need more than familiar surroundings to find the peace she craves. When a childhood friend dies after seeking Jefferson Parkers counsel, he faces doubts about his ability to follow in his father the ministers footsteps. The last thing Jeff needs is another tormented parishioner under his care in the form of Pam Crawford. Could an old womans stories of life in World War II Texas be exactly what they both need to unravel the secrets of the past? Or will the truth be more heartwrenching than the lies?
