

Bizarro Love: The Epic Tale of One Lucky Sumabitch

Somewhere in an impoverished desert shantytown there's a life devoid of all things human. Yet from this loveless, hopeless, and altogether barren existence comes fiery hope and unexpected love. As brutal as a Tarantino movie and as tender as a sure-fire chick flick, Bizarro Love drags the listener through the loneliness and ugliness of the characters' world. Amidst an utter absence of humanity comes the greatest of human conditions, love and hope. The results are characters to care about and journey with in their oddball road trip into redemption.
