But if Midrealm goes unprotected, more lives than their own will be lost... This is the second episode of Realm Keepers. Each volume consists of six regular episodes, and a Finale that is three times the length (and price) of a single episode, told from the perspective of all six kids.??? An excellent beginning to this fantasy adventure. I look forward to reading more of this series. Ray Alan Nicholson, Amazon top 1,000 reviewer??? This first episode is a great start to a YA Fantasy series that even adults can enjoy... Well written, interesting characters, promising premise. Eric Guindon, The Siege Perilous Podcast??? It's clear the writers put a lot of effort into developing each personality early on. The story line is still gripping. It moves, but it doesn't move so fast that you feel its unrealistic... Needless to say, I'm a fan. On to the next one. Heather, Amazon Reviewer The adventure in Midrealm continues. Add it to your cart now!
