

Security Through Absurdity: Book One: Little Yellow Stickies

Jocelyn McLaren is a beautiful, hard working, yet naive visual artist who, through a twist of fate, ends up working for a major US defense contractor during the lead up to the Iraq war. She unknowingly witnesses and unwittingly participates in crimes that haunt her and are ultimately interlinked with the most nefarious psychopaths on the planet. Divided into three books, SECURITY THROUGH ABSURDITY is the story of corporate shenanigans, an unstable home life, and a quixotic presidential campaign. These situations propel Jocelyn through a believably bizarre journey and into dangerous psychological territory. In a matrix of life threatening situations, she is forced to question the very fabric of her GenX American upbringing. BOOK ONE: Little Yellow Stickies is the first of the SECURITY THROUGH ABSURDITY, series which follows the misadventures and development of the main character, Jocelyn McLaren.
