

Apocolocyntosis In Plain and Simple English (Translated)

Apocolocyntosis is one of the greatest satires to survive the ancient Roman empire. This fresh, modern retelling, puts new life to the old text. If you have struggled in the past reading the ancient classic, then BookCaps can help you out. The original text is also presented in the book with a comparable version of the modern text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
