

The Splendor of Silence: A Novel

When Sam Hawthorne, a twenty-five-year-old U.S. Army captain, arrives at the princely state of Rudrakot in May of 1942, it is on a personal quest to find his missing brother. But Sam's mission is soon threatened by the unlikely of sources -- he falls hopelessly in love with Mila, daughter of the local political agent. And Mila, unexpectedly attracted to Sam, finds herself torn between loyalty to her family and the man she loves. A sweeping and poignant story of forbidden love, *The Splendor of Silence* opens twenty-one years later with Olivia, Sam's daughter, receiving a trunk of treasures from India, along with an anonymous letter that finally fills the silences of her childhood. She finally learns the heartrending story of her parents' passionate and enduring love affair -- throwing them in the path of racial prejudice, nationalist intrigue, and the explosive circumstances of a country on the brink of independence from British rule.

The Splendor of Silence has 1388 ratings and 163 reviews. *The Splendor of Silence* is a sweet romantic story, woven into the period where India was still a British colony. It is the story of Sam, an American soldier in search of a missing brother, and Mila, though the central story of *The Splendor of Silence* is the romance between them. *The Splendor of Silence: A Novel*.
