But it is his own history he seeks to uncover, particularly the events surrounding his parents' deaths. That is a secret closely guarded by his grandfather. Then Song discovers an heirloom that links him to an ancient prophecy. His destiny lies within the old tales he has scorned. Song must follow the path that killed his father.

\*Nominated for the 2013 Cybils Award. Semi-finalist for the Kindle Book Review 2013 Book Awards. **THE CANDLE STAR** (Divided Decade Trilogy, book one) After a tantrum, Emily Preston is shipped from her plantation home to her inn-keeping uncle in Detroit. There Emily meets Malachi, son of freed slaves, who challenges many ideas she grew up believing. But when Emily stumbles upon two runaways hidden in her uncle's barn, she finds that old ways die hard. And Mr. Burrows, the charming Southern slave catcher, is only yards away, lodged in the hotel. \*Nominated for the Great Michigan Read. **TAYLOR DAVIS AND THE FLAME OF FINDUL** (Taylor Davis Series, book one) Sometimes life goes by you when you're not looking. You might be happily coasting through days in a little New Jersey suburb, dreaming about Jennifer Williams and making plans to see the new movie showing uptown when bam! everything changes in an instant. Your family moves overseas and suddenly you're hacking at water demons with a four-foot blade... Yeah, that move landed me in the middle of a supernatural assignment. Angels and all that. Relighting the Flame of Findul...the sword that guards the Tree of Life...wasn't high on my bucket list. Especially after I found out who else

was looking for the sword. But since the alternative was perishing in a fiery worldwide disaster... Well, lets just say my priorities changed. I was told Id have help. I was told Id be in capable hands. Then I met my guardian angel. I am so doomed. \*Finalist in the 2015 Wishing Shelf Book Awards.
