

Beyond the Wall: Beginnings Series Book 3

A plague has wiped out humanity and a new civilization emerges. Tucked safely behind their iron walls, protected from the horrors of the plague ravaged world, the citizens of this community live as if the rest of the world doesn't exist. Their own ways of life are often comical and heartbreaking. But it's their world welcome to Beginnings, Montana. Beyond the Wall is the third book in the series. After Cain, things have settled and normality returns. But not for long. The residents discover that their home, once a government project named Garfield has buried secrets literally. Buried beneath their sleepy community in a secret lab are fifty scientists placed in a cryogenic stasis in the event of a global catastrophe. Reviving the scientists not only brings Beginnings face to face with the truth about the plague, but an agenda that is bigger than they could imagine or are ready for.
